

JOIN THE NATIONAL FELLOWS COUNCIL

Connect with fellows from across the country!

WHO WE ARE

Supporting the mission of IPhO, the National Fellows Council (NFC) is a group of fellow leaders from across the country who come together to develop networking opportunities, professional development resources, and career advancement support to enhance the fellowship experience. The NFC connects and unifies fellows of all programs nationally, advocating for their career development interests.

Search and follow IPhO and help spread the word about the #valueofindustrypharmacists in healthcare!

JOIN THE NATIONAL FELLOWS COUNCIL

"Oftentimes, pharmacists or other colleagues within industry had a difficult time understanding what a fellow was or if we were students/interns, so it was nice to be able to talk to other fellows on a regular basis who understood."

Monica Timmerman, PharmD
Sr. Medical Science Liaison, Astellas Pharma
NFC Student Development Committee and Fellow 2016-17

WAYS TO GET INVOLVED

Professional Programming

Identify professional development opportunities and unmet needs

Develop informative live programs and webinars

Student Development

Create & manage professional development opportunities for students

Oversee student case competitions and speaker events

Publications

Plan & manage scholarly activities

Encourage collaboration among fellows nationally

Marketing & Social Media

Develop targeted messaging and promotional campaigns to engage fellows

Highlight fellow achievements

Networking & Alumni

Build connections with NFC alumni and industry pharmacists

Plan networking events

"I highly recommend becoming a member of the NFC. Not only does it create a community to build and enhance relationships with fellows across the country, the Council is also devoted to strengthening skills that are essential to your success post-fellowship."

Keelin Dahl, PharmD
Associate Director, Medical Science Liaison of Virology, Merck
NFC Professional Programming Committee and Fellow 2016-17
