SCHOLARLY PUBLICATIONS

SUBMISSION GUIDELINES FOR AUTHORS

TITLE: SUBTITLE	List full title. For clarity, separate the subtitle (if any) from the title with a colon.
AUTHORS	List all authors in final order. Include academic degrees and professional credentials. The corresponding author is responsible for notifying all co-authors of the submission and obtaining necessary approvals, if any are required.
AFFILIATIONS	Provide institutional/professional affiliation for each author, including city and state.
CONTACT DETAILS	Indicate corresponding author and provide email address.
CONFERENCE PRESENTATION	For encore posters or presentations, provide the name, date, and location of the conference or workshop at which the paper or poster was presented.
CONFLICT OF INTEREST	List any potential conflicts with respect to the research, authorship, and/or publication of this article; or indicate that there were no conflicts of interest
FUNDING	List any funding sources or indicate that there were none.
TEXT	Posters and research papers should be organized as follows: Background, Methods, Results, Discussion, and Conclusion sections. Other descriptive headings and subheadings may be used, if appropriate.
	If applicable, include institutional review board/ethics committee approval statement in the Methods.
REFERENCES	References and citations must be formatted according to the AMA Manual of Style, 11th edition (i.e., superscripted numbers in text).
TABLES AND FIGURES	All tables and figures must be supplied as Word- or Excel- based files. Each table or figure must be cited in the text. Each table or figure should be good quality and not previously published (or must be sufficiently modified).
WHERE TO SUBMIT	Please include any relevant attachments and email your submission to: support@industrypharmacist.org
