IMPACTFUL CAREER ADVANCEMENT

Stop wasting time with general, non-specific job sites! The IPhO Job Board features hundreds of exciting positions with leading industry employers. Best of all, the IPhO Job Board contains ONLY jobs for industry pharmacists. IPhO is also pleased to offer a personal and confidential coaching service and preferred recruiter network designed to meet the growing demand for industry career support.

PROFESSIONAL DEVELOPMENT

IPhO regularly initiates scholarly activities with fellows to demonstrate the value of industry pharmacists. Members are encouraged to collaborate with IPhO fellows and staff to co-author publications/posters and contribute to topic-specific blogs. Members have the opportunity to serve as faculty in presenting live and/or online industry-specific webinars. In addition, there are many leadership positions available within the IPhO National Fellows Council and Committees.

HIGH VALUE NETWORKING EVENTS

Fellows have the ability to connect with other fellows and industry pharmacists around the country through live networking events that also frequently offer panel discussions and other valuable content. The more fellows network outside their individual program, the more choice they will have after their fellowship concludes.
